Introducing Apprenticeship-Embedded Degree Programme (AEDP)

B.COM

Banking, Financial Services, & Insurance

What is AEDP?

A UGC-approved 3-year & 4-year undergraduate degree that combines classroom learning with hands-on, apprenticeship training with stipend, equipping students with the long term skilling required in India's fast-growing financial sector.

Course Structure

Years 1 & 2 (Semesters 1-4):

Academic course work in accounting, taxation, insurance, and mutual funds, and more.

Year 3 (Semesters 5 & 6):

1 year full-time apprenticeship training in BFSI sector industries (stipend included) under the NATS (National Apprenticeship Training Scheme).

Career Opportunities

- Relation officer- Liabilities
- Relation officer- Asset
- Bancassurance officer
- Wealth Management officer
- Micro Credit Lending officer
- Collection Officer
- Microfinance Executive
- Insurance Advisor
- Mutual Fund Distributor

Why Choose BFSI AEDP?

- Industry-aligned curriculum designed by industry experts from the BFSI Sector Skill Council of India (BFSISSC)
- Paid apprenticeship and work experience during the third year.
- Industrial visits and guest lectures.

Eligibility

- ✓ Completed 10+2 and as per University norms.
